## Professional Brand Color Palette

|                                                                                     |                                     |                                                                                       |
|-------------------------------------------------------------------------------------|-------------------------------------|---------------------------------------------------------------------------------------|
|    | <b>Deep Forest Green</b><br>#082D1A | <b>Primary Brand</b><br>Hero accents, dark sections, headings on light backgrounds    |
|    | <b>Growth Green</b><br>#15823E      | <b>Primary Action</b><br>CTA buttons, links, active states, key highlights            |
|    | <b>Natural Green</b><br>#536C52     | <b>Secondary</b><br>Supporting text, secondary UI, subtle accents                     |
|    | <b>Soft Sage</b><br>#99A698         | <b>Supporting Accent</b><br>Illustrations, decorative elements, secondary backgrounds |
|    | <b>Pale Sage</b><br>#BCC5BC         | <b>Light Accent</b><br>Soft surfaces, subtle fills, visual separators                 |
|   | <b>Near Black</b><br>#1D1C19        | <b>Primary Text</b><br>Body copy, headings, navigation                                |
|  | <b>Pure White</b><br>#FFFFFF        | <b>Primary Background</b><br>Main page background, cards, negative space              |
|  | <b>Cool Gray</b><br>#F2F3F4         | <b>Section Background</b><br>Alternate sections, content bands                        |
|  | <b>Light Gray</b><br>#E7E7EA        | <b>Border</b><br>Cards, inputs, dividers, subtle outlines                             |

## Recommended Brand Hierarchy

|                      |                             |
|----------------------|-----------------------------|
| Primary Brand        | #082D1A — Deep Forest Green |
| Primary Action       | #15823E — Growth Green      |
| Primary Text         | #1D1C19 — Near Black        |
| Main Background      | #FFFFFF / #FDFDFD — White   |
| Alternate Background | #F2F3F4 — Cool Gray         |
| Borders              | #E7E7EA — Light Gray        |

## UI Application Guide

Hero                                      White background · Deep Forest Green headings · Growth Green CTA

|                     |                                                                             |
|---------------------|-----------------------------------------------------------------------------|
| <b>CTA</b>          | Growth Green button · White text · Deep Forest Green hover/active treatment |
| <b>Dark Section</b> | Deep Forest Green background · White headings · Pale Sage supporting text   |
| <b>Cards</b>        | White surface · Light Gray border · Growth Green icon/accent                |
| <b>Typography</b>   | Near Black for primary text · Natural Green for secondary text              |

**Design principle:** Keep the palette disciplined. Deep Forest Green + Growth Green should define the Bamboost identity, while white and soft neutrals provide the premium, modern foundation.
